In this document, we present the guidelines for preparation of abstracts for the conferences EP2DS-20 and MSS-16, to be held in Wrocław, Poland, on 1st–5th July 2013. The abstracts provided by the participants will be directly inserted in the abstract book.

The maximum length of the abstract is one page, including tables, figures and references. The abstract should be in A4 format, typeset in 12pt font (Roman or equivalent, or the default LaTeXfont). Margins of 25 mm must be left blank around the text (the text area, including title, references, graphics etc., is 160 mm by 247 mm. When preparing the abstract in LaTeX, use the standard *article* class with the size definitions as in the template provided on the conference web page.

Please follow the templates for the structure of the abstracts, formatting its elements (including capitalizing the title), spacing between them etc. Use superscripts for relating authors to multiple affiliations.

Figures can be included in the abstract but the resulting file size should not exceed 100 kB. Please keep the resolution at the reasonable level.

Format the references [1, 2] as shown below.

Convert your abstract to the **PDF format** for submission.
